Second full paragraph on page ² of the translation with amended pages and amended claims:

~~The objective of the invention is to further increase the maximum cooling capacity that can be achieved, but at the same time to shorten the length of the roller table required for this to obtain a compact design and a high cooling capacity.~~

REMARKS

As a result of the foregoing amendment, the second full paragraph on page 3 of the application has been deleted in order to remove a reference to claim numbers.

Respectfully submitted,
